1. Feet

Using 1 x 70mm screw, screw through the centre of the lower foot then the upper foot and into the bottom of the centre post.

2. Braces

Between the feet and the centre post, secure a brace on each of the four sides. For each brace, screw through the brace into the post using 1 x 35mm screw. At the bottom screw through the foot into the bottom of the brace using 1 x 35mm screw.

3. Table top

Place the table top on to the top of the centre post. Ensure the two threaded bolts are located through the holes in the top of the post. Secure underneath using a washer and a wing nut on the end of each threaded bolt. Screw the finial onto the threaded bolt on top of the roof of the table top.
