September 2019

## NEW PRODUCT SPECIAL

Southern Timber has sourced an exciting new flooring product; the Tega 10 x 190mm UV oiled engineered rustic oak flooring offers a high-quality finish at a fantastic price. Constructed using an HDF core which provides excellent impact resistance, the Tega flooring boasts a 20-year structural guarantee and is suitable for use with underfloor heating (subject to installation type). The Tega is available on special offer until the end of September, if you are looking for a stunning new floor this autumn be sure to come in and speak to our knowledgeable and friendly staff.

### OLD HILL IRONWORKS

Manufactured using a malleable cast iron with its ductile nature and excellent shock resistance. Then protected with a robust UV colour fast black powder finish, and a 12-year mechanical guarantee, giving you peace of mind year after year. Come and check out the new Old Hill Ironworks and From the Anvil display stands in our showroom.

### PRICE DROPS

Due to our strong buying strategy we have managed to secure better pricing on our treated carcassing products, as always, we pass the benefit on to our customers. We are producing a new price list from 1<sup>st</sup> September with our improved rates so come in and grab one or request an email copy.

## September 2019

### CASE STUDY: CREATIVE GARDEN STUDIOS

Heathfield based Creative Garden Studios specialise in making bespoke garden rooms for customers, they offer a cabin to fit any garden with a range of different finishes.

Ian and the team came to Southern Timber looking for a one stop shop for all their studwork, drylining and cladding needs. Southern Timber were able to supply a full range of cladding and structural timber from stock, complete with a free delivery service to site.

Using our stunning cedar and contemporary HardiePlank as external finishes, Ian and the team at Creative Garden Studios have succeeded in making some striking and versatile spaces for their customers.
